

BOTOX TREATMENT

Hair Botox is an effective and modern treatment based on Ojon and Macadamia.

It's super practical to reduce volume and straightening hair, handles all hair fiber structure, keeping the hair **aligned, nourished, strong, healthy and frizz free.**

It can be used on first time "virgin" hair or seasoned, color and keratin treated hair. It's safe, effective and **3 months lasting on average.**

Unlike keratin treatment, **hair can be washed one hour after doing the treatment.**
